LETTER

Dear Valued Partners and Clients,

In the context of rapidly evolving international trade and ever-increasing market standards, the import and export of agricultural products demands a profound understanding of supply chains, product quality, and the specific legal regulations of each nation. With this strategic vision, IIGLOBAL JSC., focuses on developing Vietnam's agricultural trade sector, serving as a sustainable bridge between local raw material regions and international markets.

We have chosen to support Vietnamese agriculture by procurement, production, and quality control processes. We ensured that every product meets the most market requirements. Each goods by iiGlobal undergoes rigorous inspection regarding origin and quality, aimed at delivering stable, long-term value to our partners.

We have a team of highly experienced professionals, iiGlobal provides more than just products; we deliver tailored export solutions designed for specific markets and collaboration needs. We are committed to using quality, prestige, and sustainability as our foundation—placing the interests of our partners and producers at the forefront of every operation.

iiGlobal highly appreciates the trust you have placed in us. We look forward to continuing your journey together.

Sincerely,
GLOBAL INVESTMENT & IMMIGRATION
JOINT STOCK COMPANY

INTRODUCTION

Established in 2019 as a member of VNGroup, iiGlobal brings together a team of seasoned experts specializing in Vietnam's agricultural import and export sector.

iiGlobal possesses a comprehensive understanding of the entire value chain—from raw material and quality standards and inspection requirements for each market. Our experience in agricultural orders enable us to proactively control quality, ensure delivery timelines, and maintain strict legal compliance for every transaction.

KEY PRODUCT PORTFOLIO

iiGlobal proudly offers a diverse portfolio of export products, meeting international standards and satisfying markets such as Europe, Asia, and America.

Our factory system and raw material sourcing areas are strategically located in production centers nationwide, ensuring quality, production volume, and year-round delivery capabilities.

OUR COMMODITIES

We source and process premium agricultural products: rice, Coffee, Pepper, Cashew, Star Anise, and Tapioca Starch—from Vietnam's premier growing regions (Northwest, Central Highlands, and Southeast). Every product is guaranteed for its original flavor, ultimate freshness, and full compliance with global export safety certificates, bringing the best of Vietnam to the world.

iGLOBAL
Build Your Prosperity

OUR COMMODITIES

Our quality control process operates as a closed-loop system, strictly adhering to GlobalGAP, HACCP and ISO standards. The entire process is audited and certified by world-leading inspection agencies, including SGS, BV, Intertek, and Cotecna.

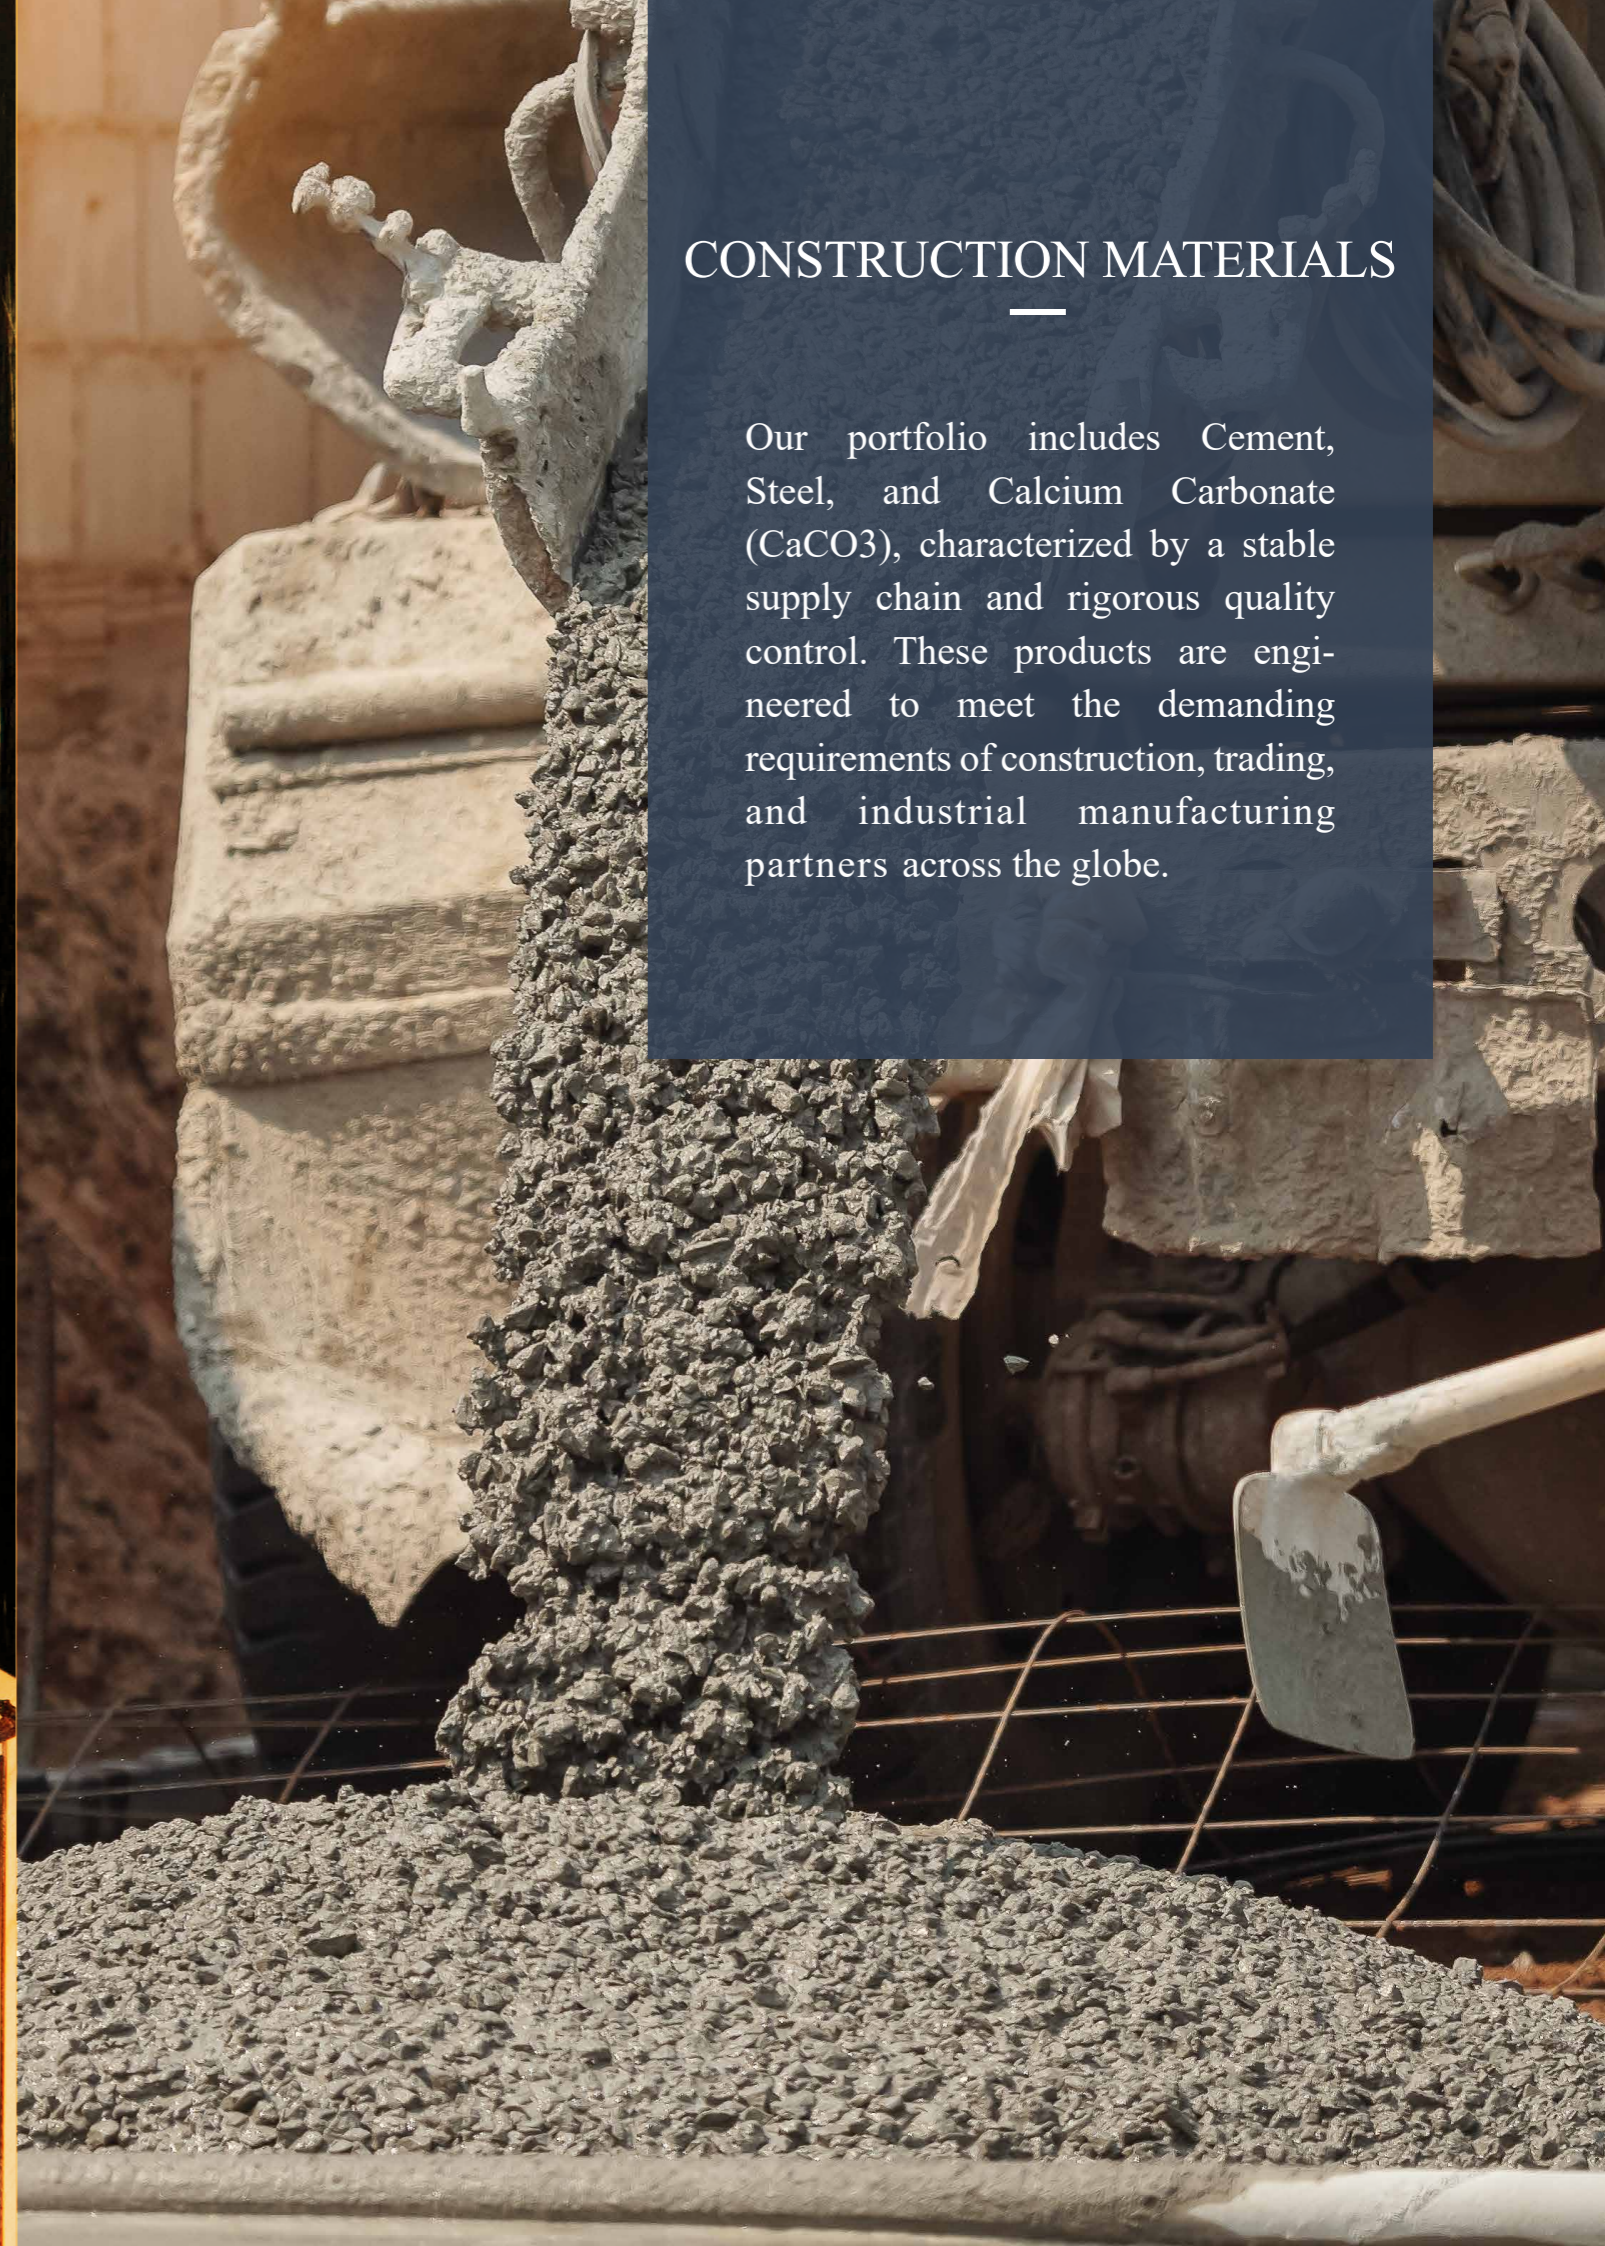

PROCESSED FOODS

Our range includes instant noodles, dried and soft-dried fruits, and fruit juices—all produced through a closed-loop "Farm-to-Factory" process. Utilizing modern technology, we preserve the full nutritional value and natural flavor of our products.

CONSTRUCTION MATERIALS

Our portfolio includes Cement, Steel, and Calcium Carbonate (CaCO₃), characterized by a stable supply chain and rigorous quality control. These products are engineered to meet the demanding requirements of construction, trading, and industrial manufacturing partners across the globe.

COMPETITIVE ADVANTAGE

IIGlobal operates a synchronized system of agricultural export-import standards, enabling the optimization of Quality - Cost - Delivery. This integrated approach establishes our superior competitive advantage in the global trade landscape.

BRANCH OFFICE

- Head office: 5th floor , Diamond Flower , 48 Le Van Luong Str, Thanh Xuan Ward, Hanoi, Vietnam

- Ho Chi Minh: 8th floor, HM Town buiding , 412 Nguyen Thi Minh Khai Street, Ban Co Ward, Ho Chi Minh

Market Network & Sustainable Partnerships

- Global Export: Regularly exports to major markets in Europe, Asia, the Americas, and elsewhere.
- High Order Fulfillment Capacity: Proven ability to handle large-scale orders with long cycles and consistent frequency.

Transparency, Legal Compliance & International Standards, Documentation Management

- Full compliance with tax, customs, and inspection regulations, in strict accordance with applicable laws and international trade requirements.
- Efficient documentation management, minimizing disputes, claims, and logistics-related risks throughout the supply chain.
- Professional international trade consultancy in line with Incoterms®, Letters of Credit (L/C), and cargo insurance practices.

Highly Experienced Team of Experts

- Proven Expertise: Over 5+ years of experience in export-import, international trade, and logistics.
- Market Mastery: Proficient in navigating complex export procedures for high-requirement and "tough" markets.
- Dedicated Client Partnership: Providing close support throughout the entire journey-from market assessment to final distribution.

WAREHOUSE, TRANSPORTATION, AND SUPPORTING TECHNOLOGY.

IIGlobal's Warehouse and Distribution Centers are strategically located in key industrial zones, near major seaports and airports within leading economic hubs. By integrating advanced technology-driven operational solutions, we provide clients with seamless access to comprehensive logistics services-including storage, preservation, and timely raw material supply for production, as well as the efficient distribution of finished goods to end consumers.

Our distribution centers are equipped with specialized order fulfillment zones, powered by advanced Warehouse Management Systems (WMS) and Transportation Management Systems (TMS), ensuring full compliance with modern operational requirements.
